FAMILY FOCUS

gracePOINT.

Grace Point Thanks You!

We held the first of our regular Sunday Gatherings last Sunday, and we want to say a heartfelt thanks to all of those who prayed for us last week. It was such a great evening where we had lots of new people come to be part of it. At one point, about 8 children showed up at the front door wanting to come be a part of our evening. One of our regular children yelled at them, "you can't come unless you are with your parents!!" We were not sure how to respond to this situation, but the children left they came back 5 minutes later with parents in tow! Another great part of the evening was prayer time. So many people are open about their struggles and their desire for prayer. There is also such a great atmosphere of people building relationships, caring for each other and working alongside one another. God is doing great work in and through us at Grace Point!
