MISSIONS CORNER . . .

**Phil & Amy Cunningham**  
**YWAM, San Diego, USA**

This past week I have been in Winnipeg at the YWAM school speaking on justice and calling. We have moved into our place in Chula Vista and are slowly settling in. We started going to a small church which we are excited about, as it gives us the opportunity to be involved in a community of people outside of work, who are moving forward in bringing Jesus to their community. As far as work and ministry goes, we are moving forward. Over the next few months we will spend more time than we want in the office talking with youth workers, communicating with other locations in N. America and setting up international outreaches for the coming winter, spring and summer. This year once again we will be focusing on outreach in Central America, S. E. Asia and now St. Petersburg, Russia. Thanks so much for your thoughts and prayers.
