PRAYER

Kaden, (Alex & Karen Pursaga's 13 week old grandson) who will be having an MRI on November 1st.

Neil Klippenstein at Health Sciences Centre in ICU. His struggle to breathe this week, as a result of fluid build up in his lungs, has improved somewhat. Pray for the Dr.'s as they work to clear his lungs. Also pray regarding times of discouragement that come along with this kind of struggle.

Justina Erb (Faye's 16 yr. old niece) whose brain cancer has returned. Recently, she has had some difficult days, feeling very ill. Please pray that the right medication can be found so that she is without pain. Pray that she will be well enough to participate in two very special events:
1) a worship and prayer service that will be taking place TONIGHT for which she and her dad have chosen the music, and,
2) she is planning to be baptized on September 25th. She would love to be well enough to share her faith story.

Cornie Giesbrecht in St. Boniface Hospital after suffering a stroke.

I WILL PRAISE
YOU AS LONG
AS I LIVE.
