John DeVries doing well and recovering at home.

Neil Klippenstein at Health Sciences Centre in IICU. He continues to breathe on his own more each day. In spite of his physical condition, Neil is confident that this is the path that God has chosen him to follow and his spirit remains positive.

Justina Erb (Faye's 16 yr. old niece) whose brain cancer has returned. They are entering a new chapter where faith accompanied by medical intervention is being replaced by faith alone. Justina feels the peace of God as do the rest of the family. They will joyfully receive the miracle of healing or the strength to live each day well in the time they have together.

Jeff Heide recovering at home.

Cornie Giesbrecht in St. Boniface Hospital after suffering a stroke.

I WILL PRAISE  
YOU AS LONG
